Dear kiran shinde,

Welcome to AWS Academy!

Industrial and Computer Management and Research (IICMR) has been approved to join the AWS Academy program with Amazon Internet Services Private Limited ("AISPL").

AWS Academy member institutions are responsible for nominating educators to earn AWS Academy accreditation and become authorized to teach AWS Academy courses.

The accreditation process is a self-paced, professional development program delivered online with support from the AWS Academy Technical Program Management team.

AWS Academy membership is site based and this application grants membership to the following site*:

Main Campus
HS-2 Sect 27A Behind Sant Tukaram Garden, Nigdi Pradhikaran, Pune 411044
Pune, Maharashtra 411044
India

AWS Academy Membership is governed by a comprehensive set of rules and criteria. For example:

- Only AWS Academy Accredited Educators may deliver AWS Academy courseware.
- There must be at least one AWS Academy Accredited Educator per AWS Academy course.

For more details and a complete list of criteria, please see the AWS Academy Terms & Conditions and the AWS Academy Program Guide.

To access courseware and begin learning, please log in to the AWS Academy portal:

<https://www.awsacademy.com/login>.

When you log in, you will be asked to acknowledge the AWS Academy Terms & Conditions.

An AWS Academy Program Manager will reach out to you to answer any questions and further support you.

We look forward to your participation and wish your institution, educators, and students success in their cloud computing and AWS journey.

Sincerely,
Lokesh Mehra
The AWS Academy Team
