

INSSAN:

Collaboration between IICMR and INSSAN

This is to certify that **Institute of Industrial and Computer Management and Research (IICMR)**, Campus located at Nigdi, Pradhikaran, established in 2002, approved by AICTE affiliated to the University of Pune, Maharashtra at HS-2, Sector 27-A, Pradhikaran, Nigdi, Pune - 411044, has been a key institute for academic alliances with **Indian National Suggestion Schemes' Association (INSSAN)-Western India Chapter, Pune.**

Objective of this collaboration is as below:

1. To peruse the alliance between industry and academia for developing managerial excellence.
2. To promote, develop and disseminate the adoption of scientific methods in Management.
3. To exchange Softskills, Management skills and operational excellence expertise in the form of mutually benefitting technological sessions.
4. To promote MBA summer projects of minimum 3 months duration to understand the importance of Suggestion Schemes in Engineering Industries with various sectors.
5. To share Academic and Industrial Expertise of IICMR/INSSAN for various events.
6. To share industrial expertise available with INSSAN for "Teaching, Learning and Curriculum development".

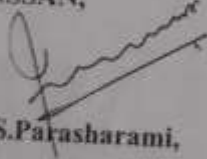

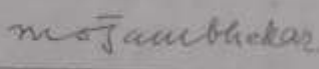

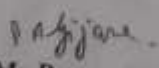

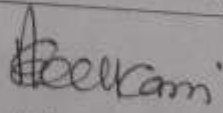

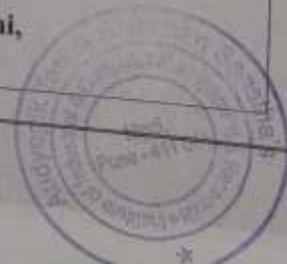

7. To carryout research activities in collaboration related tovarious sectors withinEngineering Industries..
8. To organize seminars and conferences on subjects of academic as well as professional interest for cross-fertilization of ideas for overall growth
9. To share and exchange professional expertise available with INSSAN for conducting technical competitions at IICMR and vice versa.
- 10.To develop co-operative modular programmes with industry having potential benefits to Faculty and Student.
11. To initiate joint extension work for community development.

The alliance envisages promotion of industry institute interaction by facilitating the dissemination of knowledge through expertise of experienced and knowledgeable person from industry /Academics to integrate their experiences and create excellence.

INSSAN is glad to acknowledge the efforts taken by the faculty and students of IICMR in building strong industry – Institute relationship with INSSAN. We confirm that this Industrial & Academic relationship has mutually benefitted both the organization and will continue to be so in future.

Yours sincerely,
