Report on the Certificate courses attended by the students during pandemic lock down

The locked down period was situation where everyone was forced to come out of comfort zone. The faculties learned new online teaching techniques so as students also. The distance learning was the thing for everyone. Many issues arose during distance learning, from network issues to unavailability of the laptops. This situation was new for everybody. So each one had its own strategy to deal with it. Many students participated in various activities like online quiz competition during this period. They also did various free online certificate courses offered by Udemy, Google, Coursera, EDUCBA, Corporate finance institute and many more.

Outcome of the activities:

The students of MBA@IICMR utilized the locked down period for learning new things. They used online platform for learning. Many of them did digital marketing online certifications during this period which is helpful for summer internship program. Also many students did courses about their core domain which will be helpful for them in understanding the core MBA subjects.
