### ATSS'S
### Institute of Industrial and Computer Management and Research
### Criterion VI- Governance, Leadership and Management

### Institutional Perspective Plan 2020-2021

1. Number of International Collaboration to be increased.

2. Number of consultancies to be explored with SMEs and MSMEs.

3. Developing Indian business case studies by involving all the stakeholders.

4. Promoting and developing entrepreneurial activities in association with state and central government bodies.

5. Rain Water Harvesting as a part of the Environment Sustainable Programme to be initiated.

6. In order to save Electricity costs, the institute will install energy-efficient devices and fittings. This will add more dimensions to the Energy Conservation by the Institute.

7. Participation in energy-efficient and environmental conservation activity.

8. Facilitate continuous up-gradation and updation of knowledge & use of technology, by faculty members and students.

9. Encourage and facilitate Research Culture and promote Research by students and faculty and conduct international research conference.

10. Strengthen the engagement with Industry through collaboration, training, placement and projects.
