Women's Day Celebration

8th March, considered as International Women's Day. This day brings many things for women – a cause for celebration, a reason to pause and re-evaluate a remembrance, an inspiration and a time to honour, loved and admired. To honour womanhood, IICMR celebrated the International Women's day on 13th March'21 in the auditorium. The guest of honour Adv. Manisha Kulkarni arrived and the programme started with Ganesh Vandana performed by the student of MBA 1st Year Shraddha Bhise.

A welcome speech was addressed by Dr. Abhay Kulkarni to inspire and encourage all the women to keep excelling consistently and to keep moving on every time. He also gave the example of his own mother and gave a message to respect every women present on this earth. The programme was organized online students also through Microsoft Teams. There were singing performance by Rishika, Mayuri and Altab. Their voice created a different energy in the

performance. Safety of a woman is important in our country and so is women empowerment too. Considering the strength of women and their powers a play was organized by the students of MBA 1st year which highlighted common issues faced by women in Indian society. The play was encouraging and the audience gave a standing ovation. A few games were held for all the teachers for their recreation. Sweets and snacks were kept for refreshment. Our HOD thanked and appreciated all the students for arranging this event. Few faculty members sang songs and the students were amazed to see their voices. It is rightly said that Women are the strength of our country our director Abhay Kulkarni distributed sweets to everyone and addressed the event by singing a song and thanking all the participants. The teachers blessed the students and thanked them for such big efforts.
