Dear all Students,

> BOOKS DON'T CHANGE PEOPLE; PARAGRAPHS DO, SOMETIMES EVEN SENTENCES.
>
> JOHN PIPER // A GODWARD LIFE //

An MBA student should be able to summarize the vast content and comment precisely and should be ready all the time to express his views on the given topic. He should be a quick thinker and precise speaker.

A book review is a form of literary criticism in which a book is analyzed based on content, style, and merit. This review guides a reader on what to take from the book and gives the summary of the book.

A Movie review does the same but the medium is different. While books involve the assumption-based expressions, movies actually involve expressions and help a viewer with visual cinematic experience. Movies and books often give some message. An MBA student should be able to decode this message.

These are the skills and you need to learn and master these skills. To introduce you to these skills, we are planning to conduct a Book and Movie review on 11th of November 2022.

4. **Outcomes of activity:**

   a. The purpose of this program was to honour the womanism and explain the concept of woman empowerment.

5. **Activity Experience:**

International Women's Day is celebrated annually on March 8th to recognize the social, economic, cultural, and political achievements of women around the world. It is also a day to raise awareness about gender inequality and advocate for women's rights.

The first International Women's Day was observed in 1909 in the United States, and it gradually became a global event. In 1975, the United Nations officially recognized March 8th as International Women's Day.

International Women's Day is an opportunity to celebrate the progress that has been made towards gender equality, but it is also a reminder that there is still a long way to go. Many women around the world still face discrimination and inequality in various aspects of their lives, including education, employment, and political representation.

The Director of the Institute, Dr. Abhay Kulkarni and Dr. Deepali Sawai guided the participants regarding the concept of woman empowerment and they also expressed the need to highlight the empowered women and thought that there is a need to introspect, do we really need this day?

The national level power lifter Ms. Sneha Shinde was the chief guest for the evening. After the official program, some fun filled activities were conducted for female members by the male members. Ms. Dipti Bajpai performed a song and Ms. Vandana Pednekar performed a poem. Executive Director Dr. Ashwini Kulkarni guided the attendees on the occasion and
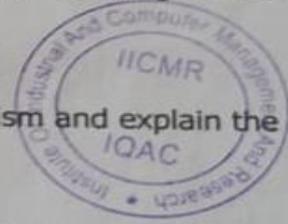

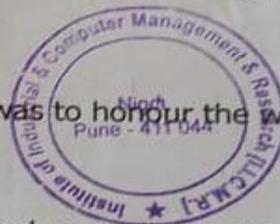

HOD MBA, Dr. Manisha Kulkarni and HOD MCA Ms. Renu Mathew motivated the participants. The program was co ordinated by Dr. Madhura Deshpande and Ms. Vandana Pednekar
