Metric - 7.2 Best Practices

ISQ Impact – Opportunities for Industry Visits

Post-event, nine organizations extended invitations to students for industry visits. These visits offered students firsthand experience of industrial processes and operations, bridging the gap between theoretical knowledge and practical application. A total of 3 organizations provide Industry Visit Opportunities through ISQ Event.

Respected HR,

Advik Hi-Tech Pvt Ltd

Pune

I am writing to extend a formal invitation to the distinguished MBA students of Institute of Industrial and Computer Management & Research, Pune to participate in an enlightening industrial visit to our renowned establishment, **Advik Hi-Tech Pvt Ltd**

Details of the Industrial Visit:

Date: 7 October 2023(Saturday)

Time: 2 pm - 6pm

No. of students : 150

The itinerary will encompass an insightful tour of our facilities, informative presentations by industry experts, interactive question-and-answer sessions, and invaluable networking opportunities with our seasoned professionals. This visit is meticulously designed to provide students with a profound understanding of our industry, operational dynamics, and the inherent challenges and opportunities it offers.

We anticipate that this industrial visit will greatly enrich the academic and professional development of your MBA students by affording them a rare opportunity to apply classroom theories to real-world scenarios while engaging with industry veterans.

We eagerly anticipate your favorable response and the opportunity to host the distinguished MBA students of IICMR at Advik Hi-Tech Pvt Ltd, Chakan Plant.

Date: 09/01/2023

REPORT

1. Title of the Activity: Industrial visit to Raychem RPG

**2. Date & Venue: 08 / 02/2023 Chakan - Pune For 1st year MBA
Students**

Time: 9:30 am to 4 pm

3. Outcomes of Activity:

1. The industrial visit was held to experience the manufacturing process for the students.
2. The students also had a first hand experience about manufacturing of electrical transformers

4. Description of the Study:

1. The visit was held to expose the students to the manufacturing process of electrical transformers
2. Various components used in the manufacturing of electrical transformers

This was the first time that the students visited an industrial manufacturing company and witnessed the areas of production right from the beginning to the finished product. Raychem RPG is a part of the reputed 20,000 Crore RPG situated at Chakan, Pune. The company is involved in the production of electrical transformers for various clients both India and abroad and the total turnover is 350 crores

5. Activity Experience

Following Steps were covered during the visit

1. Informational video about Raychem RPG

Awarded Best Management Institute for Industry Interface by CEGR

MBA@IICMR

2. Tour of the factory and the viewing of the production line
3. Q&A session

6. Assessment of Activity Outcomes:

The students were given first hand information about the the production of electrical transformers and the steps in the manufacturing process . This was a unique opportunity for the students to witness the production line of Raychem RPG which is one of the leading electric transformer company in India

Feedback:

The students found the trip to be very informative and learned a lot about about the electrical transformer manufacturing

Date: 20/01/2023

REPORT

1. Title of the Activity: Industrial visit to APTIV Components India Private Limited, Chakan
2. Date & Venue: 18 / 01/2023 For 1st year MBA Students
3. Time: 9:30 am to 4 pm

Brief :

On 18-01-2023, the MBA 2nd year students from IICMR, batch 2021-2023, visited APTIV for an industry visit. The visit aimed to provide students with firsthand experience of industrial operations and management practices.

Objective:

- Observing the operational workflow and production processes at APTIV.
- Understanding the requisite skills and domain knowledge needed for success in the industry.
- Gaining practical exposure to real-world business operations and technology.
- Networking with industry professionals, particularly the HR team, to enhance opportunities for internships and placements.
- Bridging the gap between theoretical knowledge and practical application in the industry.

Outcomes of Activity:

1. The industrial visit was held to experience the manufacturing process for the students.
2. The students also had a first hand experience about manufacturing of electrical transformers
