Report Aptitude Training

Resource Person: Mr. Kiran Joshi

Date: Friday, 20th October 2023

Time: 1:30 PM to 5:30 PM

Venue: Tio4, IICMR

The aptitude training session for MBA students was successfully conducted on 20th October 2023 at IICMR. The session was facilitated by Mr. Kiran Joshi, a distinguished expert in aptitude training and career development. The event was organized to enhance students' problem-solving abilities, logical reasoning, and quantitative skills, which are essential for excelling in competitive exams and professional assessments.

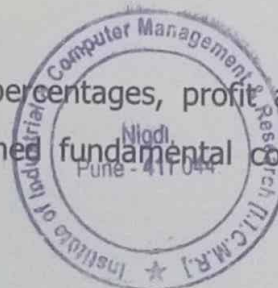

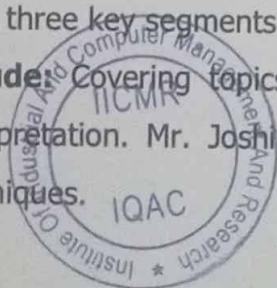

The primary objectives of the session were:

- To improve students' numerical ability and logical reasoning skills.
- To enhance problem-solving techniques and speed in answering aptitude questions.
- To provide insights into strategies for tackling various competitive exams.
- To help students build confidence in handling complex aptitude problems.

Mr. Kiran Joshi commenced the session by explaining the importance of aptitude tests in MBA placements and career growth. He emphasized the need for a structured approach to solving aptitude-based questions and provided valuable tips and shortcuts to improve accuracy and efficiency.

The session was divided into three key segments:

1. **Quantitative Aptitude:** Covering topics like percentages, profit and loss, time and work, and data interpretation. Mr. Joshi explained fundamental concepts and shared quick calculation techniques.

2. **Logical Reasoning:** Engaging students with puzzles, pattern recognition, and logical sequences to enhance critical thinking.
3. **Verbal Ability:** Discussing common errors in grammar, sentence correction, and reading comprehension to strengthen language skills.

Interactive Learning and Practice

Students actively participated in problem-solving exercises and group discussions. Mr. Joshi conducted real-time quizzes and provided individual feedback to help students improve their approach to solving questions. The session also included a Q&A segment, where students clarified their doubts and sought guidance on specific topics.

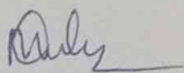

The aptitude training session proved to be highly beneficial for MBA students. It provided them with practical knowledge and effective techniques to tackle aptitude tests with confidence. The session concluded with a vote of thanks to Mr. Kiran Joshi for his valuable insights and engaging presentation. Students expressed their gratitude for the opportunity to enhance their skills and requested more such sessions in the future.
