Mentoring - **Progress assessment** -Part-3 Report :

Event Type	: Curricular Activity
Event Title	: Mentoring Session - Progress assessment
Date	: Wednesday, February 07, 2024
Time	4:30PM TO 5 :30 PM
Coordinator	:Dr. Sarita Samson
Purpose	: Others

The purpose of this mentoring report is to assess the progress and development of mentees under our mentoring program time to time , focusing on various aspects including attendance, attitude towards learning, academic progress, behavioral aspects, moral and motivational development, progress in value-added courses (VAC), discipline, and updates on their Student Development Plan (SDP).

Learning Outcome   : Key learnings from the Human Resource Management Student Development Program (HRM, SDP) serve as invaluable insights for mentees. These learnings equip them with essential knowledge and skills pertinent to their field, enhancing their understanding of HR practices and strategies. The purpose of integrating HRM SDP learnings into mentoring sessions is to bridge the gap between theoretical knowledge and practical application, empowering mentees to navigate real-world challenges effectively. The learning outcome is to empower mentees with a diversified skill set, making them well-rounded professionals capable of addressing multifaceted challenges.

MBA@IICMR

Batch of Students	: MBA 1
No of Students Participated	: 120
Description	:

Firstly, the regular attendance of mentees has been commendable, with a majority showing consistent commitment to the program. This dedication reflects their understanding of the importance of mentorship in personal and professional development. Secondly, mentees have gleaned valuable insights from the Human Resource Management (HRM) Student Development Program (SDP). The sessions have equipped them with essential skills and knowledge relevant to their academic and future career pursuits, enhancing their overall competencies. Moreover, the incorporation of learning from the International Institute of Corporate Management Research (IICMR) Today sessions has been particularly beneficial. Mentees have successfully applied these insights in various aspects of SDPs, contributing to their effectiveness and relevance. Additionally, mentees have been actively engaged in staying updated with current affairs in the business world. Their awareness of industry trends, market dynamics, and global events showcases their proactive approach towards staying informed and adaptable. Furthermore, progress in the Value-Added Courses (VAC) has been notable, with mentees demonstrating commendable improvement and application of skills learned. The integration of VACs into the mentoring program has enriched mentees' learning experiences and enhanced their holistic development.
