Mentoring – Ideas Infusion Report :

Event Type : Curricular Activity

Event Title : Mentoring Session – Networking Opportunities

Date : Wednesday, February 21, 2024

Time : 3:30PM TO 5 :30 PM

Coordinator : Dr. Sarita Samson.

Purpose : Others

The primary mentoring fosters a nurturing and empowering environment where mentees can explore their strengths, weaknesses, interests, and aspirations. Through constructive feedback and encouragement, mentors help mentees identify their unique talents and potential, empowering them to leverage these assets to achieve their objectives.

Learning Outcome : The mentoring session was productive, with the mentee demonstrating a strong commitment to their personal and professional development. By actively engaging in various activities and seeking opportunities for growth, the mentee is on track to achieve their goals. We look forward to continuing our collaboration and supporting the mentee's journey towards success. The mentoring session facilitated significant learning outcomes for the mentee, encompassing academic proficiency, program readiness, digital branding, and networking prowess.

Description :

Several key points were discussed and progress was noted in various areas. Firstly, it's encouraging to see the consistent attendance of our mentee, indicating their commitment and dedication to the program. This regularity is essential for fostering a productive mentor-mentee relationship. Secondly, the sports week proved to be an enriching experience for our mentee, providing valuable learning opportunities and takeaways beyond the realm of academics. Participation in such events not only promotes physical well-being but also cultivates essential life skills such as teamwork, resilience, and sportsmanship.

In terms of networking opportunities, efforts have been made to enhance the mentee's online presence, particularly through optimizing their LinkedIn profile. Leveraging such platforms can significantly expand their professional network and open doors to new opportunities. Progress updates on the VAC (Volunteer Activity Committee) project showcase commendable dedication and contribution from our mentee, highlighting their commitment to making a positive impact beyond academic pursuits. Discipline aspects, including adherence to formal attire, have been addressed, emphasizing the importance of professionalism and presentation in various settings. Moreover, brainstorming sessions led to the infusion of innovative ideas for Rainbow, fostering creativity and strategic thinking. Lastly, the update on SWOC (Strengths, Weaknesses, Opportunities, and Challenges) analysis reflects a comprehensive understanding of the mentee's current position and future prospects, laying a solid foundation for strategic planning and development. Overall, these discussions and updates demonstrate the mentee's progress, dedication, and eagerness to maximize their potential, reflecting positively on the effectiveness of the mentoring
